Honorable Błażej Ostoja Lniski,
Rector of the Academy of Fine Arts in Warsaw,
and the Academic Community

Dear Professor Ostoja Lniski, dear Colleagues,

On behalf of the Academic Council, the Rectorate, and the entire community of the Lviv National Academy of Arts, we express our sincere condolences on the passing of Professor Adam Myjak — a distinguished artist, educator, and former Rector of your Academy.

Our institutions have shared a long and close relationship, shaped in no small part by Professor Myjak's openness, goodwill, and commitment to artistic collaboration. Much has been achieved together over the years, and his role in fostering these ties was truly meaningful.

We were especially proud to award Professor Myjak the title of Doctor Honoris Causa of the Lviv National Academy of Arts and to count him among our honorary academic family.

Please accept our heartfelt sympathy during this time. We stand with you in remembrance and gratitude for everything Professor Adam Myjak contributed to the world of art and education — in Poland and beyond.

With respect and solidarity,

Rector
