Condolence Letter

To the Academy of Fine Arts in Warsaw and the family of Professor Adam Myjak,

We were deeply saddened to hear of the passing of Professor Adam Myjak. On behalf of all faculty and students at Sichuan Fine Arts Institute, please accept our sincere condolences.

Professor Adam Myjak, with his profound humanistic spirit and remarkable artistic talent, made a lasting impact on contemporary sculpture. He served six terms as Rector of the Academy, advancing both art education and academic exchange, and fostering a meaningful partnership with our institute.

As a fellow sculptor, I greatly admired his dedication to art and his outstanding achievements in public and commemorative sculpture. His passing is a great loss to both the Polish and international art communities. We will always remember the legacy he leaves behind, and may he continue to shape and create freely in another realm.

We mourn his passing and extend our heartfelt sympathy to his family.
